Philanthropy Missouri's Board of Directors and Committee members work on a volunteer basis to advance PhilMO's nonprofit vision and mission:

VISION

We envision a thriving and equitable Missouri, served by a collaborative, purpose-driven, and effective philanthropic sector.

MISSION

To equip, connect, and energize our Members and partners for thoughtful action and greater impact.

Further, Directors and Committee members oversee implementation of the 2021-2025 PhilMO Strategic Plan, which outlines goals to: (1) expand statewide; (2) deepen Member value while optimizing staff capacity; (3) build Member service to sector leadership; (4) center equity; and (5) strengthen organizational sustainability.

Eligibility & Terms

Two-thirds of the Board and a majority of each Standing Committee must be staff or trustees of PhilMO Members in good standing; non-Members may serve in minority roles. Board terms are three years with a limit of two terms. Committees are established annually and have no renewal limits. Terms begin at Annual Meeting, currently held during the Statewide Conference the last Thursday and Friday of January.

Committees meet virtually for 60-90 minutes. Annually, Committee members are encouraged to attend Statewide Conference as well as the social and training planned around the in person Board meeting (*see above*).
